**NON-PRORATED
LIMITED
WARRANTY**

Permalatt Products, Inc., warrants to the original purchaser only that Permalatt vinyl lattice and vinyl products, under normal use and service, (a) will not peel, flake, rust, blister, crack, corrode or become brittle, and (b) will not require painting, replacement or maintenance due to deterioration.

This Limited Warranty covers defects in material and workmanship arising during the manufacturing process.

If the purchaser is a living person and the lattice is purchased for personal or household application, the warranty period is the lifetime of the purchaser; in all other instances, the warranty period is 30 years from the date of purchase.

All claims under this Limited Warranty must be made in writing to Permalatt Products, Inc., P.O. Box 405, Bremen, IN 46506, within the warranty period and promptly after discovery of the claimed defect, describing the defect claimed, together with the proof of purchase. If a claim is made, Permalatt Products, Inc. shall have a reasonable time and opportunity to inspect the lattice. If the lattice has defects in material or workmanship covered by this Limited Warranty, and the warranty claim is made in accordance with the terms hereof, then Permalatt Products, Inc. shall, at its option, either replace the product or refund the original purchase price. Freight, labor and any other similar costs shall not be paid by Permalatt Products, Inc.

This Limited Warranty is void if any of the following occurs with respect to the product: (a) improper installation, (b) misuse, neglect, vandalism, accident or improper storage, (c) altering or changing the product by reason of applied heat, welding, solvent, epoxies or any other alteration, (d) impacts of objects, fire, flood, hurricane, tornado or other storms, or casualty or acts of war, (e) painting the surface of the product, or (f) adverse effects of air pollution.

This Limited Warranty contains the only express warranties made by Permalatt Products, Inc., and sets forth the purchaser's exclusive remedy for breach of warranty. No other warranties, express or implied, are made. Permalatt Products, Inc., specifically disclaims the implied warranties of merchantability and fitness for any particular purpose, and shall not be liable for any direct, special, incidental or consequential damages.

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

DuraShell® is our strongest and most durable vinyl lattice. DuraShell® Vinyl Lattice is fade resistant in both the color and white lattice, and is resistant to insects, mold and mildew. With a 3-D and solid core construction, this lattice product will last much longer than plastic lattice and will not splinter when cut like hollow PVC can, therefore giving you the promise of long lasting beauty!

Solid core DuraShell® Lattice is made with 1/4" thick strips producing a 1/2" total thickness.

Comparison Chart

	Traditional Appearance	Thickness	Fire Rating	Thermal Expansion	Warp Resistant	Easy to Cut	Colorfast Weatherability	Maintenance Free	Splinter Resistant	Non-Cracking	Resistant to Rotting	Insect Proof	Durability
	Excellent Ideal Replacement for Wood	1/2" Standard 3-D	Excellent Class A-1 UBC Rating Approved for Interior Usage	Good Dimensionally Stable	Excellent Dimensionally Stable	Good Cuts like Wood	Excellent Lifetime Warranty	Excellent No Scraping & Painting Lifetime Warranty	Excellent Solid Core with the DuraShell® Surface	Excellent Solid Core with the DuraShell® Surface	Excellent Will Not Rot	Excellent No Treatment Needed	Good Solid Core with the DuraShell® Surface
Plastic Lattice Polyethylene	Fair Not 3-D Looks Like Imitation	7/23" Very Thin Flat	Poor Class C-3 UBC Rating Fire Hazard / Toxic Fumes	Poor Expands 3 Times More Than PVC or Wood	Poor Will Warp Without Expansion Room	Good Thin Material Hard to Handle	Fair Will Discolor In Time	Fair Will Need To Be Replaced In Time	Good May Splinter or Shatter With Time	Fair Can Crack With Screws	Excellent Will Not Rot	Excellent No Treatment Needed	Fair Becomes Brittle With Time
Hollow PVC	Good Nice Replacement For Wood	1/2" Standard 3-D	Good Ask For Information	Good Dimensionally Stable	Excellent Dimensionally Stable	Fair Hollow Core May Crack Jagged Edges When Cut With Wood Blade	Excellent Will Not Discolor	Excellent No Scraping & Painting	Fair May Shatter When Cut	Good Can Crack With Screws	Excellent Will Not Rot	Excellent No Treatment Needed	Good Good Quality Material
Wood Lattice	Good For First Year	1/2" - 3/4" 3-D	Poor Fire Hazard/ Quick Burn Unsafe For Interior Usage	Good Dimensionally Stable	Poor Moisture - Twist & Bend	Good What You're Used To	Poor Weathers Quickly	Poor Replace Every 3-4 Years, Needs Painting & Treating Annually	Poor Splits & Splinters Easily	Poor Can Crack From Sunlight Exposure	Poor Will Rot Over Time	Poor Insects Love Wood	Poor Breaks Down Easily
